

Name:

Date:

# Oobleck science experiment

Fill in your observations in the boxes below by **writing** or **drawing**.

## Predict

I think my Oobleck will **look** like:

I think my Oobleck will **feel** like:

## Observe

What did your Oobleck actually **look and feel** like? What did you discover?

# Oobleck recipe

## Ingredients

- 1.5 cups cornstarch
- 1 cup water
- A few drops of food coloring (optional)

## Steps

1. Put the cornstarch into a mixing bowl
2. In another bowl, mix water and food coloring
3. **Slowly** add the water to the cornstarch until the cornstarch is dissolved
